Hi all.

My name is Jim.

I am a amateur photographer currently looking to build up a profile and looking for respective clients based in the Birmingham UK area who would like to have photographs taken.

I offer a wide range of services which include Family Portraits, New Born and Baby Photography, Head shots, Bump Shots, Product Photography, Weddings, Lingerie/Nude and Events.

As I am an amateur photographer, I am asking for a small fee which consists of travel expenses plus a £35.00 charge for a edited disc of photographs taken during your photo shoot.

Please don't hesitate to get in touch.

Please can you supply an email address when contacting me. Web Site:
