## **MACSFIT-PT HERBALIFE FITCLUB (2 GBP)**

Location **North, Lancashire** https://www.freeadsz.co.uk/x-337235-z

We are promoters of highly affordable and effective fitness training, nutrition advice as well as promotion of HERBALIFE wellness products and supplements, that all combine to promote weight loss, increased muscle tone and strength, as well as improves cardiovascular endurance and body confidence. We specifically DONT allow any gym bunnies or people who obviously don't require our service, but we would rather help the people who are too self conscious to attend a gym, or class due to thinking they are going to be looked at differently.

Well at our sessions, everyone is striving for the same goals, just a different speeds.

We will give you the motivation to reach your personal and physical goals, and all for ONLY £2 a session. You have nothing to lose, other than the.
