I am a fully qualified hairdresser and hair extensionist. I specialise in hair extensions. We offer hair to suit all budgets. Mobile within Coventry and surrounding areas. My prices are low as I source the hair myself which means I can pass the savings onto my clients. I also don't charge extortionate prices to fit the hair extensions as I believe that all ladies should have gorgeous locks and not be out off by expensive prices! I offer 2 amazing luxury hair types. Indian remy which lasts up to 8 months minimum and Russian remy which lasts up to 2 years. This means you have at least 3-5 fittings from the hair so you save money as you don't need to buy new hair each time! There is also a standard range of hair which lasts up to 3 months minimum. The methods I offer are Prebonded
