

Marbleslate clock (100 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-339847-z>

Nice large antique clock which I have owned for the last 20 years. Strikes on the half hour and the hour. The dial has some fine hairlines but overall the clock is in very nice condition. The movement is made by JAPY FRERES and is stamped GD.E MED.D'Honneur which I believe dates it to.
