I am a high end watch collector who is interested in all high end watches (used and new) including the ones named in the title. I pay cash on collection, and I give good offers (depending on condition and if box provided). I will travel and collect to most places in the UK. Only buying genuine watches no fakes.

Send an email to me describing the watch(es) you have and send a photo and details of the watch. Or just send a quick email/text with the name of the watch, your name and phone number/email. You can also call me on the number provided at any time during the day and I will take the details of the watch, and give you a ring back to discuss the price.

I am based in the London.
