

Dining Table - Lidos Alto Designer 6 Seater Table - over 2600 when new (700 GBP)

Location **North, Lancashire**

This Lidos Alto glass dining table is made from transparent tempered glass. It is a free standing base on two curved glass pieces 'legs'. The edges of the tops on this glass dining table are finished with Glass Italia's finest flat, polished finish. The Lidos Alto is a designer range of floating glass dining tables which are available in various styles made with the bases formed from tightly curved sections of glass. This is a beautiful table and a very reluctant sale as it cost over £2,600. Have a look on their website, there's lots of similar ones costing thousands. It is in good condition minus a small chip on the bottom of one of the curved glass 'legs' which can be seen in the photo. It's tiny and can't really be seen unless you inspect on your hand's and knee's. It comfortably sits 6 people around it and although it appears fragile it is actually very sturdy/solid. Everyone that comes to my house comments on the table and it will set off any room - it looks really stylish and contemporary. All viewings welcome up to 8 pm week nights / anytime at the weekend. 1200MM DIAMETER X 720MM H, 1200MM L X 1200MM W I can deliver upto 15 miles away. OPEN TO OFFERS Thanks for
