Great quality mirror dinghy for sale. It has been stored indoors for many years and is in extremely good condition with no rot or significant damage to the wood. The sails and all other necessary components are included with a launching trailer too. Unfortunately there isn't a towing trailer. As you can see there is some minor damage that has been repaired on the front right corner of the boat with a tiny scratch with paint removed as can be seen in the photos.

Any questions do not hesitate to ask.
