The paintwork is in great condition and has been fully polished by our on-site valet. The bike has been HPI checked and a Certificate will be presented with the bike. Triumph panniers are fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. The bike comes with heated grips, a blessing on those cold days. Top spec engine protectors have been fitted just in case the worst should happen. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice.
