Here we have a immaculate example of a Honda CBR650 that has only covered 2802 miles from new by its 2 former keepers. The bike has been HPI checked and a Certificate will be presented with the bike. Top spec engine protectors have been fitted just in case the worst should happen. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. The bike has ABS to help improve vehicle control and decrease stopping distances. The bike has been finished off brilliantly with the addition of a seat cowl and tail tidy. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600... (click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
