Here we have a cracking example of a Triumph Tiger Explorer that has only covered 2742 miles from new by its former keeper. The bike was serviced at 543 miles. The bike has been HPI checked and a Certificate will be presented with the bike. The bike is fitted with Triumph panniers, very useful for commuting to work or carrying your waterproofs in case the rain comes. The bike has been fitted with a Akrapovic exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. The bike has heated grips, heated seat and hand guards, a blessing on those cold days. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
