With a "hippy" conversion. A lovely live-aboard for the adventurous.
 This vessel is designed for an outboard engine 3-5hp. The engine it had is a Suzuki 3.5hp, however, it is a non-runner. A replacement would cost £200 or you could repair the existing one. I have priced this boat to reflect that situation.
 23ft x 7ft.
 Originally sea-going this vessel is a real!
