The Panasonic KX-TG 8061EW: A great budget DECT cordless phone. The Panasonic KX-TG8061EW is a user-friendly landline cordless phone and digital answering machine in an eye-catching and contemporary white. The stylish DECT handset benefits from a full colour display, blue backlit keypad, and loudspeaker. Recommended by Which? as one of their 'Best Buy' Cordless Phones, the 8061 delivers exceptional value for money. Reliable sound quality Panasonic are one of the premier manufacturers of DECT cordless phones globally, and one of the reasons for their success is the sound quality of their handsets. Whether using the earpiece or integrated speakerphone, the KXTG8061EW delivers dependable clarity for your landline calls. The volume can be conveniently adjusted during conversations, and the high tone/low tone voice enhances provides flexibility the flexibility to match the sound to your personal requirements. Digital Answering Machine with LED Message Counter The base of the Panasonic 8061 is equipped with an answer machine, which can record up to 20 minutes of voicemail messages. You can choose between the pre-recorded outgoing messages or record your own personalised greeting. Messages can be played from the base or from the cordless handset, and there is a handy LED counter on the base so that you can quickly see how many messages have been left. Useful DECT features The 8061 is equipped with a variety of value adding features, such as Caller ID, name and number phonebook for up to 100 contacts, Call screening, and Call Barring. The phone is expandable up to 6 handsets in total, and additional functions such as call transfer and intercom are available when using more than one handset. Why should you buy this cordless phone? The Panasonic KX-TG8061EW is an excellent budget cordless phone that offers a lot more than similarly priced models; and benefits from a dependable range and battery.
