TRE HR Consultancy Welcome to TRE HR Consultancy - If you're looking to take on your first employee or maybe you've grown to a size where you feel you now need HR support to help your business grow and develop; you have come to the right place because our consultancy can make the set-up process smooth and stress free. We'll set up easy to follow HR and People administration processes, create HR and business policies that suits your culture and industry, create job descriptions, create contract of employment, design employee hand books and many more. With this we ensure you are covering your legal obligations and following best practice as an employer during this crucial time. We can also help you with any immediate recruitment or retention priorities too, sorting CV's for shortlisting, setting up and arranging interviews and assessment centres, right to work documentations, induction programs, training analysis needs and many more. We know that not 'one size' fits all, this is why we will work with you to understand your culture and industry needs, what you want to achieve, so that we can provide you with the best HR solution. If you are a growing business then we can provide also provide you with a change management service to enable your business and its employees to achieve their full professional and personal potential. This will be done by developing organisational culture and working with Managing Directors to improve business performance, reduce operating costs and ensure its employees are engaged and motivated at work. We can also provide you with an ad hoc HR business partnering service using this as when required. We can continue to look after the HR, so you don't have to! We know that every business has its own unique HR requirements and that not all businesses need or can afford in-house HR support on the payroll. Therefore, the next best thing we can offer you is our outsourced HR business partner support service, our dedicated HR consultant can provide a mix of on-

site and email / phone support. There is no long-term commitment and you can pay monthly or pay as you go. Our range of services options covers what level of HR support you need from HR. We can offer HR support to HR Managers and Directors. We can also help to hire the right people, grow your business, train your staff, training to get the best from your staff, develop your staff to reveal their potential, your people, people and make your business dynamic and growing. Helping you to deal with any employee relations concerns that may come along the way and make sure you're legally compliant with your local employment law. If you would like to arrange a meeting or discuss further your requirements contact us at TRE HR Consultancy that can meet all your HR Solutions and needs.
