I have for sale a Horn 1010 Cub Plus sewing machine cabinet. It has been well looked after as you can see from the picture. These still cost in excess of £350 new. There are a couple of light scratches at the top which I have taken a picture of but these are barely noticeable. I am selling the sewing machine and accessories separately. The colour is teak. Below is a link to the cabinet itself. https://www.sewingmachines.co.uk/products/horn-furniture-cub-plus-1010
