Registered practitioner of clinical hypnotherapy with the prestigious British Society of Clinical Hypnosis. Also, I tutor students at the post-graduate hypnotherapy course at the University of West London. I treat a range of issues from smoking to phobias to stress and lack of confidence. I have particular interest in: fertility and IVF treatment, weight control, writer's and artist's block, and sporting ability enhancement. Happy to talk on telephone at no charge to see if treatment is suitable. First session is £50 (one and a half hours) and subsequently (if needed) £38 (1 hour). I usually work out of a clinic. 07968 494738 07968 4947...(click to reveal full phone) .
