 Berth Caravan Motor Movers

It has a large seating area, a large size double bed, 3 gas hobs and a microwave. Plenty of storage space for your gear. The motor mover is a great extra and have power windows. The battery is a 100Ah so it can run for a long time. You can turn on your remote control and direct your caravan where you want it to go (very handy for when parking the caravan). The supply and fit motor mover cost £1,100 so it's a great extra to have fitted with the caravan.

Caravan also has hot/cold water. Can simply have water by gas or electric by using the inside switches.

This is a single axle caravan, easy to tow, tyres are good too.

Has the paperwork and the manual to help get you started
