Living area is large, size can be 3 seater and 2 seater. Plenty of top space for storage. Make it a double bed.

Motor movers, these are the caravans that are great, they have power to the battery, you can turn on your remote control and direct your caravan where you want it to go (very handy for when parking caravan). It supply and fit motor movers cost £1,100 so its a great extra to have fitted with the caravan.

Caravan also has hot/cold water. Can simply have water by gas or electric by using the inside switches.

This is a single axle caravan, easy to tow, tyres are good too.
