This is a great caravan it is in very good condition. Has an end bedroom, with a seating area that converts into a double and also has a bunk bed. At the front of the caravan there is a seating area that converts into a double bed.

In the kitchen area there is a hob and grill. Plenty of work top space.

Caravan also has hot/cold water. Can simply heat water by gas or electric by using the inside switches. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow air heating as well which is fitted all the way through the caravan which gets the heat all through the van in a small space of time.
