Pink BreathableSack Wearable Blanket by Breathable Baby 1.0 Tog 6-12 Months Lightweight all season wearable sleeping bag which helps to prevent overheating - 1 TOG. Constructed from a 2 layer system. 2 directional zip. Hypoallergenic machine washable and fast drying. The BreathableBaby® BreathableSack™ Wearable Blanket is designed to be the most comfortable wearable blanket on the market. It replaces loose blankets in the crib that can cause suffocation or rebreathing carbon dioxide – both leading causes of SIDS. The BreathableSack™ also helps prevent overheating. Overheating is also a leading risk factor for SIDS. When babies get hot and perspire, our moisture wicking liner and breathable plush outer fabric helps keep babies dryer and more comfortable. Use over your baby's favorite pajamas or with nothing on but a diaper! 100% polyester to make it hypoallergenic (medium) fits 16-24 pounds and up to 76cm in length. Cute; hippo embroidery. Breathable, comfort for all seasons. Inner fabric is ultra soft to baby's skin. Outer fabric is made exclusively for BreathableBaby. Reduces risk of suffocation, overheating and sweating. Allows excess baby comfortable. Two zipper pulls. Zips from top down and bottom up for easy diaper changing. Zipper cover keeps zipper from touching baby's neck. Slips on easily over a regular sleeper or diaper. Safety evaluated. Hypoallergenic poly mesh fabric. Machine washable, fast drying (new) 1 pink
