

Honda Accord 2.4 i-VTEC Petrol Automatic Executive - MOT 2017, Shistory, 108k mile

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-348113-z>

Service history + MOT valid until Jan 2017 (no advisories).
 HPI Clear. 32MPG easy.

Timing chain – so good for at least another 70k miles

Top spec with amazing level of kit, e.g. cruise control, navigation, 6cd changer, heated leather seats, rain sensing wipers, etc etc.

Honda Accord (2004) - Executive

2.4 i-VTEC, Petrol

Automatic (5 speed Tiptronic) - silky smooth shifts (drained and filled with genuine ATF fluid + new inline filter)

108k miles with Service History (part dealership)

MOT to Jan 2017 (no advisories)

Cruise control Electric Leather Heated Seats

Xenon LED Headlights

Rain sensing auto wipers (I was shocked too!) Climate control (dual)

Heated side mirrors

Navigation (in-built)

6 CD Changer with excellent Pioneer 6x9 speakers (from stock)

Audio controls on steering wheel

Electric sunroof

Dual exhaust and racing spoiler (from stock)

Very quick and handles exceptionally well.

32mpg

Work has been done on the car, e.g. new oil, new air filter, new car filter, new tyres, new fan belt, new service, etc.

105k miles with Service History (part dealership)

Honestly if you are after a nice car that you will enjoy driving at a budget, this is it. Very reliable Japanese engineering, simple things like the Navigation system and 6cd changer make it unbelievable (always get comments when my friends ride with me). Other crazy bits of kit will only wow you, e.g. heated seats.
