CANNONDALE QUICK CX 4 2013 Hybrid Bicycle Large frame. Not used for a year so reluctantly selling. It's been stored under cover. Some minor rust on screws etc. Bar ends fitted. Disc brakes. 700c wheels. Not ridden very much at all. Owned from new so will supply all the documents and instructions. I will also throw in some spare puncture resistant tyres. Please feel free to inspect or ask any questions or details I have omitted. I am in Hanover area or Brighton. Description below: The Cannondale Quick CX Hybrid Bike is a capable adventure partner, combining the stability and strength of a mountain bike with eh nimbleness and style of a city bike. Tough yet beautiful, light and versatile, The Quick CX is for the rider who does most of their miles on the road or bike trails but who occasionally ventures off the beaten path. Lightweight mountain-inspired frame, disc brakes, flat bars, striking graphics and stylishly crafted tubing make a statement on the streets but is up to the challenge of excursions on rougher roads and bike trails. Attention to detail makes for a great ride and amazing versatility, weight saving machining, anodized details, rack and fender mounts and the option of suspension or rigid fork establish Quick CX as the most versatile Quick.
