Ford Puma 1.7 2002. Finished in an appropriate sporty Red and in good condition all round for year Nippy little sports type car, very clean for a Puma especially rear wheel arches. Nice alloys as well. M O T runs until next sept (2016) and has some service history, dealership service Log to 108k, Puma original manual that came when new and i'm sure there's receipts for work previously carried out (Inc Cam Belt at right interval) Everything works, even remote key (1 key only) Radio cd issue though, radio works great, but a cd stuck in 6 play multi-changer. Engine / gearbox/ clutch all good and drives well and as it should. Ideal young lady's car although very nippy. Offers.
