1985 Classic Chevrolet 6.2 V8 Diesel G30 Travel master  
12mths MOT!!!  
only 65,000miles.

This is the cheapest large RV on the net. This fantastic 25ft Chevy RV is for sale because I am moving abroad hence it is priced to sell quickly. It is also the only reason I am selling it, otherwise I would definitely be keeping it. I have just put it through its MOT this week which it passed with flying colours. The test station said it was in fantastic condition and good for another 50 years! It has heating, shower, toilet, cooker, oven, sink, A/C, Awning, captain's seats, sofa bed, over cab bed, etc etc.... There is too much to list. Anyone who buys this will have many years of pleasure. It's perfect for weekends away or touring across Europe. It is a classic and has a few years on it so don't expect a brand new L50,000 motorhome! There are a few minor bits that need sorting (A/C re gassing, awning sticks a bit when opening, a cooker knob is missing and a couple of small rust spots), That said it drives fantastic and looks great.
