

I need someone who actually ENJOYS cleaning and works hard and cleans THOROUGHLY with an eye for detail , you will need to eg. go up a ladder to dust and polish my ornaments and all shelving units , clean doors and handles and frames and walls where there are any marks , leave nothing undone like the fronts of cupboards , the kettle , toaster , inside the microwave , the taps and surrounding the taps (descaling) works UNDER the furniture and moves the furniture to clean underneath , makes beds , wipes down the settee with leather wipes , cleans light switches and bannisters , basically can SEE dirt and dust wherever it is and tackle it fast and effectively within the time given

Once a week from approx 10am to 1pm (3hrs) and to include half an hour of ironing each week
Small 2 bedroom house with a DOG , who does BARK but is NOT dangerous! So MUST be good with animals , speak very GOOD English so we can communicate properly and the salary is £12 per hour for the deep cleaning

(Please do NOT enquire about this job UNLESS you are willing to do ALL of the above and more in 3 hours which includes a lot of ironing to get through in a short space of time)

I need a wonder woman cleaner who works MAGIC around my home , not just does a basic clean with their heart and soul NOT in it , hence I need someone PASSIONATE ABOUT CLEANING and I need

~~someone who has been who doing whole house deep cleaning FOR MANY YEARS so is a cleaning~~

I need a local cleaner who enjoys cleaning and works very thoroughly
