WOW! Look at this little beauty that has just arrived on the forecourt here at acar2go, the stunning Toyota Yaris. It''s not very often that you find just a lovely little car that has only covered just 33,836 miles, with an amazing specification including Auxiliary input, Electric Windows, Touch Audio System and reverse parking camera!! Not only does it have a super low mileage it also comes with a comprehensive 3 stamps in the service book and also a Full acar2go multi point check carried out prior to delivery. This is one of those cars that would make the 2nd car in the family or even a 1st car for your son or daughter that has just passed their driving test. The Toyota Yaris comes in at insurance group 3, Yes 3, so it will be more in the hundreds for insurance cover instead of in the thousands. Cars at this price, with this sort of specification and low mileage don''t hang around for long, so if you feel this ticks all your boxed then be quick to avoid disappointment. Remember acar2go Aston Clinton where you Pay Less and Get More.
