

Angel Buddies - Discrete Call Buddy

Location **London, London**
<https://www.freeadsz.co.uk/x-349320-z>

Angel Buddies are here to serve and protect independent workers who have no other back up when they are on the job! We provide you with your very own Angel Buddy who will be there at the end of the phone, twitter and skype, as your safety contact while on appointments or working alone. It can be a dangerous world out there especially working in the adult industry and meeting unknown people if you don't have a support back up. Contact us today to find out.
