When it comes to whisking, beating and mixing in your kitchen, forget the manual approach and make things easy by letting the Breville VFP069 Pick & Mix Hand Mixer do the hard work for you.

Providing 200 Watts of power, the VFP069 can deal with even the most dense of mixtures and 5 speed settings let you choose how fast the mixer whips around the bowl. Perfect for when you're dealing with cake mix, making homemade mayonnaise or just whisking up egg whites, you'll be in total control and able to achieve perfect results every time.

With a flat heel design, you can rest the VFP069 upright to avoid messing up worktops and the beaters are easy to remove thanks to a simple eject button. When you've finished, the dishwasher-safe parts are easy to clean, meaning they'll be ready to use again in no time. Unwanted gift in original packaging (still unopened) RRP £11.59 (Amazon price) NB. We live in Wellingborough and I work in Northampton (town centre) so you could collect at whichever suits you.
