For quick, properly done, SKY TV repairs of all kinds - call us today.

We have recently done lots of Sky dish repairs on Sky dishes/system faults caused by building works and scaffolding blocking the signal - also quite a few Communal Sky TV systems and Aerial systems/TV distribution faults.

Also many SKY problems rectified recently that nobody seems to be able to do - either due to height, complexity or otherwise.

SPECIALISTS in piping TV around your home and experts in IO links and Magic Eyes.

Moved into a flat/apartment and nobody can help with the communal Sky signal problem ?

Often building management companies are reluctant to help tenants until an Independent Sky Engineer has done a survey to determine where the fault is relative to your flat/apartment. ie inside or outside.

Also many Sky multi room Magic eye installations and Tv signal distribution problems resolved.

No satellite signal being received ?
Installs SKY will not or cannot do ?
Multiple Tv distribution problem ?
