Excellent starter kit!

Includes

- 2x2ft wooden vivarium with glass sliding doors.
- Separate plastic tank, great for smaller reptiles, I used to keep stick insects in here.
- 3 different sized heatmats
- 4 heat bulbs
- 3 thermometers, one has a humidity reader
- Komodo thermostat which connects to heat bulb
- Lamp on the ceiling of the viv
- 1/2 a bag of aspen substrate
- A climbing log and two hiding places

Willing to sell items separately or as a
