Furniture Village three seater 'Eleanor' sofa in cream

Symmetrical shape with gently curving arms and solid wood feet. Cushions are reversible. The arms are perfect for resting a book or cup of tea on as they have a flat surface at the top.

Dimensions:

Length: 220cm Depth: 100cm Height to arm rest: 66cm Height to top of cushion height: 87cm

Sofa is still in good condition with little stains. Slight frayed fabric at one corner (see photographs).

Sofa was bought less than 3 years ago and was bought as a set with the two seater (also available for buying, willing to make a deal if a buyer is interested in both). Smoke free home, only pet we have is the cat. We paid £2048 for the set of both sofas.

Collection from Maidstone, Kent. Sofa needs a bit of disembling to get out our door.;
