Old PC games selection bundle. Selection of old PC games. All used. I shunt know if they'll work on new Windows versions. I tried loading and it wouldn't open in Windows 10. I suspect them all be like that. So you'll need older Windows (they all seem to need at least Windows 98SE/ME/2000/XP) or you'll know a way to make Windows 10 run them. The bundle
