This is a fine example of Kawasaki's legendary ZX6 super sport machine, it looks absolutely superb in the colour combination of Sunbeam Red and Ebony Black bodywork with Champagne Metallic Silver frame, Firecracker Red wheels and Hazel Brown Metallic engine covers. Enhancing the look further are some great accessories Pipewerx carbon oval can, carbon hugger/chain guard, carbon ZXR logo bar ends, black anodised CNC shorty adjustable levers, LED mini indicators front and rear, dark tint double bubble screen and an under tray. It has a full service history documented in the original service book along with the owners manual, tool kit and 2 keys. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £2595
