Here we have an excellent example of the Kawasaki GTR1400. Fitted with an electric adjustable fly screen for that extra bit of wind protection. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. The bike comes with all original keys and manuals as were supplied new. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box rack is also fitted to this bike. This bike has Full Documented Service History and has had no expense spared in maintaining it. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
