Our two year old Pug Dizzy has just had the most stunning litter of babies, a mixed litter of black and fawn. Gorgeous, all healthy and plump. Still being nursed by Mum, will be ready at 8 wks. All will be KC registered, Micro chipped, full insurance for first 4 wks when they leave. Have been health checked by Vet, and dew claws removed to avoid injury to themselves, will also be wormed. Can be viewed with both Mum and Dad, sold to loving forever homes only. Please don't hesitate to contact me for further info. (Reservation can be arranged to avoid).
