

# Ridgeback MX20 Kids Bike (110 GBP)

Location **South East, Surrey**  
<https://www.freeadsz.co.uk/x-350177-z>

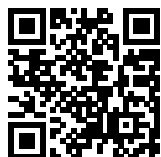

For children to really enjoy cycling, they need a decent bike, and Ridgeback make some of the best around. The MX20 is a great, child-friendly design, thanks to its lightweight aluminium frame, comfortable riding position and plenty of adjustment for growth. It's also well made with quality components, so it's rugged enough to withstand kid treatment and should last for many years if properly looked after. Our daughter loves this bike, and because it's properly designed for children she can cover decent distances without getting tired. It has been used regularly since it was bought new about 3 years ago, but it has been well looked-after and stored in a dry shed when not in use. There are some scratches and signs of wear, the worst of which are shown in the photographs. The bike itself is sound and in good working order. We're only selling it, with some regret, because she's outgrown it. This is a superb bike for kids, in good condition, at a fair price. Colour: gunmetal/graphite with black & yellow graphics. Suitable for both boys and girls, although boys may prefer to remove our daughter's butterfly and flower stickers! Age range: about 6-10. Features: Lightweight 6061 aluminium frame. Shimano RevoShift gears (6 speed). Suntour SR XCT JR front suspension fork. Tektro V-brakes. 20" wheels with off-road tyres (tread still in good condition). Comes with original (generic) Ridgeback handbook. RRP for this year's model is &pound
