Leader Sailing Dinghy and combi Trailer. Fibreglass construction. Solid boat, complete and sails nicely. Looks like a 14 foot version of the Wayfarer, with similar double chine lines, but about 50Kg lighter. Highly regarded, with an active class association. Only just purchased it, but really need something smaller that my daughter (aged 11) can start to sail alone, to keep her interest. Would swap/part exchange for a Topper, Pico, Topaz or similar, in plastic or GRP. Photos are as she comes, not been cleaned for season, but has been sailed this.
