Fender USA Standard Telecaster 2007 candy Apple Red white scratch plate maple neck rose wood fret board. This guitar is in good condition with no fret ware. Guitar comes with a Fender hard case. These USA made guitars retail for over £1100 now. I have been advised by a music shop that the second hand value for this guitar is £700 so I'm offering a great guitar at a good price. Only sensible offers will be considered, please don't waste my time with stupid offers. I will only accept cash on collection. Thanks for looking. ;
