Stonham Barns Sunday Car Boot is on every Sunday from 8am. Next one is Sunday May 22nd 2016 and hopefully another great day. A full field last Sunday and covered stalls are booking already. We are now on the big field so you can have as much space as you want. When you enter Stonham take the left into the field and wait to be positioned. Events often run at the same time as the Car Boot and the next one is the Dublogic VW Show on 29th May. This will be another good crowd with lots of VWs on view. Make sure you check the Events page regularly as we have quite a few good ones this year. See you on Sunday from 8am. Stonham is the one to go to if you want a great relaxing day without being hassled and able to set up in peace. Each week the buyers will increase dramatically and we are lucky to have ones that actually buy. Stonham is known for its one off sellers and Antiques and after 4 years we are getting a good regular crowd of sellers and buyers. Everyone loves Stonham as its unbeatable when the weather is good. It has a great atmosphere, a knowledgeable friendly crowd made up of all ages. Families, young and old, It's dog friendly and caters for the disabled. You can still sell from £5 right up to £10 for Covered stalls. These are really a hit with the sellers as you can book by texting 07817539168 078175391...(click to reveal full phone number) , pull up behind, set up and sell and pack up and leave at the end of the day. Alternatively, we are still the cheapest in Suffolk so you can just turn up from 8am and sell from £5. Once we are on the field we allow sellers as much space as they require and you can even bring a gazebo and set up. We allow anyone to sell most things the only restriction we have is with plants whereby we allow small vans/cars selling plants grown from home but, they will need to be part of a variety of things sold. Anyone selling old gardening tools etc is fine. Call me if unsure. It's just common sense you just need to bring a variety rather than a van full of just flowers. Something I think is really important and is part of the

whole idea of the Traditional Car Boot, is the fact that you can sell without the fear of things being stolen or being covered with mud. I have found this is a problem at many car boots that we see. We have the Coastal Car Boot in Summer, the Campsites and Holiday Homes with Car Boots. We have a guaranteed extra crowd already there with a lot of shops, the Owl Shop, the Serpent House, the Shop, the ladies fair and so many other things to see and do we are such a great venue for a Car Boot. On top of that we have the events running in tandem with the Car Boot. Sellers tend to arrive from 8am onwards (we do allow earlier but, Stonham wakes up after 9am with the shops and attractions also opening at 10am). We are outdoors only but offer covered stalls. We try to open every week irrespective of the weather as we still get buyers and sellers. 078 17539168 078177391 (click to reveal full phone number) click to contact for information on the Car Boot and Events at Stonham Barns <https://www.fishface.co/stonhambarnscarboot> <https://www.facebook.com/stonhambarnscarboot> <https://twitter.com>
