Intelligent, highly effective and energy efficient, the Hoover DWTL610AIW3 Smart Washing Machine with WiFi capabilities offers the latest in innovation. This Hoover washing machine features an intelligent washing system, which uses highly advanced electronic controls to constantly monitor and adjust your wash process, resulting in great all-round performance. Wi-Fi enabled Thanks to the DWTL610AIW3 's Wi-Fi capabilities, doing the laundry becomes an easy task. Simply control, monitor and manage the appliance on your mobile via the Hoover Wizard app. Energy efficient Keep your whole family feeling great, thanks to the DWTL413AIW3 's 13 kg capacity, and A+++ energy rating - saving you both time and money. All in one The DWTL413AIW3 features a unique 59 minute all-in-one program that allows you to wash both colours and whites at the same time, without colours running. This washing machine also has a Kg mode that weighs your washing at the start of the cycle and then in the first four minutes adjusts the water, time and electricity consumption to suit the size. Easy to use This 1400 rpm washing machine includes an elegant LCD touch display, which provides you with a clear understanding of all the programs and cycles available. Simply select the program you're after, adjust the temperature and spin to suit you, and you're ready to go. Programs and functions From cottons and delicates, to wool and silk, the DWTL413AIW3 covers all of your washing needs and more. If you're in a rush simply select the Rapid 14 program, if you need to wash any baby outfits just hit the All Baby 60 option, and if it's shirts you're cleaning, the Easy Iron function will sort you out - no problem. For an all-round washing machine with all the stars to match, choose the Hoover DWTL413AIW3 Smart Washing Machine in white.
