Hello to you, I work in Oil and Gas Industry as a Senior-Geophysicist for a MNC. I can be contacted if you are looking for a Maths/Physics tutor. I can teach these subjects at secondary/higher - school level. My graduation subjects were Maths, Physics & Chemistry and I have a Masters degree in Geophysics. My approach with teaching is to help students understand the basic concepts first. Thereafter, I can help them to develop a thought process to solve different types of problems. My email id is click to contact and my mobile phone number is 07824551452 078245514...(click to reveal full phone number) .!
