

Purebred baby English rabbit ready soon - only one left (30 GBP)

Location **Wales, Powys**
<https://www.freeadsz.co.uk/x-350893-z>

Purebred baby blue English rabbit is ready to reserve now, I only have a blue self buck left!

The babies have been handled daily since birth so they are friendly and inquisitive, both parents and some other relatives can be seen. English rabbits are a medium-sized breed, weighing about 3kg when fully grown. They are also active rabbits so will need plenty of space, they can live outside or as house rabbits.

I am taking reservations now, he will be ready to leave from around 22 May when he will be 10 weeks old, and I will give you a care sheet, supply of food and any after care advice you may need. I am a member of the British Rabbit Council and the Rabbit Welfare Association and have kept English rabbits for many years.

Please contact me for more information or if you would like to come and view them. I also have a website - look for 'English rabbits Wales' and a facebook page 'English'
