

Force Of Nature Presents The Finest Breeding Of Champions  
I am proud to announce that my eagerly anticipated litter has been born on 26th April, this is the 1st litter of Olde English Bulldogge Champions in the UK. I am currently accepting limited reservations to exceptional, lifelong family homes to this unique litter. This breeding is the result of an intensive 2 year search worldwide. I've found it very difficult to find an exceptional male that can match the standard Mia has set or compliment her outstanding attributes & features. Both parents are in great health & condition with sound temperaments. Nothing has been left untouched or unturned with this outstanding pairing, I believe that this is truly one of the finest breedings to take place & the quality of standard cannot be matched or beaten at this elite level. Sire is the European show stopper Bullplanet's Badr, a truly fine example of the breed who holds an impressive list of titles to his name these are - EKC Champion (1 champions win towards grand champion status) OBKC- Holland, Belgium, Germany & European Champion. His pedigree consists of 10 dogs from the well-known Bullforce kennels, the world renowned Phoenix Blue Strike, WAM Famous Moody Blues, Gargoyles Brummy & Champion Hog House Blue Bella. This is Badr's 1st litter in the UK, outside of Holland & 3rd litter produced. Badr has sired 2 females that have followed in their dads footsteps, becoming OBKC Junior Champion & EKC Junior & Adult Champion respectively. Dam of the litter is none other than Force Of Nature's Mia, a truly rare example of the breed who's taken the UK by storm since her 1st show & captured the eyes & hearts of a worldwide audience following her progress to become the 1st UK Female NEBBR Champion. (Mia will now compete in the champions ring to achieve grand champion status). Mia is conditioned to an elite level, i cant emphasise enough she is one of the finest dogs worldwide to represent the breed. I ask u to

study the construction of her via the pictures to witness one of the best bred dogs out there. Her pedigree has been impressive like hers such as Teddy, Mr. & Mrs. JR Chang, remarkably the best Cocker moved into the UK breed Charles Buckles Bronze, five winners Blue Chaser Phoenix, two winners John & 2x winner Blue Strike to name a few. All puppies are raised in the same environment they are subject to the challenges and go through normal busy household, are handled regularly & play with my other dog. From 3 weeks the puppies will be fed a well balanced raw diet which will be prepared daily with no expense spared in the raising of these stunning puppies to ensure they have the greatest start in life ready for their new homes.

The quality these pups have speaks for themselves, all pups are blue with minimal white & will make outstanding pets. They have the potential to follow in the footsteps of their parents & other champions in their bloodlines in the show ring. I have put blood, sweat and tears in to this breeding and made many sacrifices along the way to achieve what I have with Mia and making this possible, the results are truly breath taking.
