Beautiful vintage style wedding dress in a champagne colour. Bought as the label says size 12 but would probably fit a size 8 or 10. Really disappointed it's too small for me. The designer is Margaret Lee and the tags are still attached so it has not been worn other than to try on. The retail price shown on the tag is £450 but I am selling for £100. I am open to offers and you are welcome to come and try the dress on before.
