Here we have an excellent 2008 Harley Davidson FXDC Super Glide Custom. The bike comes with all original keys and manuals as were supplied new. The paintwork has a few small stone chips but you really have to be looking for them to notice. With an alarm fitted for security, this will reduce those heavy insurance costs and give you more peace of mind. This bike has a keyless ignition system in place. So as long as you have the transponder on you there is no need to mess about with a fiddly ignition you just push the starter button and off you go. This bike is fitted with a touring screen making those long rides more enjoyable. Top spec engine protectors have been fitted just in case the worst should happen. Saving your panels and wallet from taking a battering. With the bike being fitted with a pillion backrest, your passenger can be as comfortable as you are. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
