With no expense spared, 'This Labour of love' is probably one of the best Harley Davidson's we have ever seen! Starting off with an original 2008 FXDC Superglide custom, the owner has over a period of 8 years purchased every Genuine optional extra out of the catalogue! This build has cost him in excess of £24'000 to complete and makes this bike pretty special! With too much to list.. the Chrome wheels cost over £2000 alone! Stage one, Harley alarm Even the brake disks are chrome! A show winning bike that is in 10 out of 10 immaculate condition. So shiny you need your sunglasses just to look at it! chrome callipers, chrome covers.. chrome everything!
