Here we have an excellent example of the Yamaha YBR250, With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. A rack is also fitted to this bike, great for attaching a rucksack to so itâ€™s not on your back. This bike is suitable to be ridden on the A2 license. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has a few small stone chips but you really have to be looking for them to notice. Viewing is welcome any time and we guarantee you wonâ€™t be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
