18ft round pool frame
â€”Steps
Solar cover
Pool cleaning accessories
Intex pump.
â€”

We bought the pool as part of a bundle of pool equipment from a lovely family that used the pool for 4 years but couldn't use the pool any longer for personal reasons, We were told the pool cost over £800 new not including the accessories.

â€”
Unfortunately the pool doesn't fit in our garden so we are selling it on.
The pool is currently flat packed, feel free to arrange a visit to view before you bid.
You will need a reasonable size vehicle to collect.

It is in good order and has only just been taken down, but will need a clean, and there is some surface rust on part of the frame (to be expected)

â€”
Please note this is for collection only, if you are in a 10 mile radius of Didcot we would consider delivering for 80p a mile door to door
please contact us to confirm.
