The second generation model follows in the same footsteps but with some key improvements. It may look very similar, but in fact it is totally new with a stiffer body for better refinement with the roof down. MINI has also changed the rollover hoops which used to block rear visibility, making the model much more driver-friendly, especially when parking. As with any MINI it is great fun to drive while the engines offer a strong combination of performance and economy. few small convertibles can match the sheer desirability and style of the MINI,It's every inch as good to drive too with pin-sharp steering, plenty of grip and a positive gear change.50 MPG,Six Speed Box,only £130 a year Tax,ABS,Air conditioning,Alarm,Alloy wheels,Audio remote,Body coloured bumpers,CD,Cruise control,Driver`s airbag,Electric mirrors,Folding rear seats,Front electric windows,Front fog lights,Heated mirrors,Height adjustable drivers seat,Isofix child seat anchor Lumbar support,Parking sensors,Partial leather seat trim,PAS,Passenger`s airbag,Remote locking,Service indicator,Side airbags,Sports seats,Steering wheel rake adjustment,Steering wheel reach adjustment,Traction control,comes with "FREE MOT'S 4 LIFE" Only @ www.bondcarsales.com
