Fantastic high-spec Grande Punto with A/C, desirable six speed gearbox and MP3 compatability - Items which make a huge difference on small cars like these. Economical, well looked after and only a handful of minor wear and tear marks you'd expect from a daily driver. Full service history accompanies the car and it will be supplied with a fresh MOT. A new battery, front drop links and four new tyres have all been fitted within the last 6 months. Work means that viewings can be arranged for weekday evenings and weekends only, but will try to be as flexible as.
