We are a mobile car valeting, detailing and headlight restoration service based in Brighton. We take business and personal contracts dealing with anything from a clean through to a detailed machine polish; the family run around to super cars, and everything in between. Cloudy, dirty yellow headlights can fail your cars MOT and with a new set costing hundreds of pounds it is a lot more economical to have them restored through a four stage process which leaves them looking great and protected against the elements well into the future. We are fully insured to work on your vehicle and have public liability cover. Any and all vehicle valeting and detailing enquiries to click to contact or 07786853003 077868530...(click to reveal full phone number) www.icleananycar.co
